The screenshot shows a presentation slide titled "Overview of Newcomer Programs". The slide is divided into two main sections: "Fellowship Program" (teal background) and "NextGenICANN Program" (orange background). The "Fellowship Program" section includes a bullet point: "Diversity Programs: Bring in new friends and contribute to the evolution of the multistakeholder model". The "NextGenICANN Program" section includes two bullet points: "Launched in 2007 at ICANN29" and "Launched in 2014 at ICANN45".

Overview of Newcomer Programs

- **Diversity Programs:** Bring in new friends and contribute to the evolution of the multistakeholder model

Fellowship Program

- Launched in 2007 at ICANN29
- Poster sponsor files for individuals to become active participants in the ICANN community.
- 21+ years old from underserved & underrepresented communities

NextGenICANN Program

- Launched in 2014 at ICANN45
- Invite the next generation to engage with ICANN.
- 18-30 year old students from the region where the ICANN meeting takes place

#AFRALOGA23 #Day1. Engaging and enlightening discussions abound! So much has been shared. #ALS should be more supported for more actions at the #local level. Can you spot the rep of an #ALS in this photo? Regretful for those who joined us online.

Excited for the upcoming @AfricanAtLarge General #Assembly, happening from 24th to 25th in Ghana 🇸🇪!

Let's come together as a #vibrant community of Internet users, advocates, and stakeholders to shape the future of the #Internet in #Africa
