Meeting location: Remote

Welcome Remarks

Seun Ojedeji - Chair AFRALO

Pre-General Assembly(GA) Webinar

Purpose of the Webinar

- To inform members about status of the GA preparations
 - To Present current GA program
 - Provide background information of some items on the GA agenda
 - To build capacity of our members in preparation towards the GA
 - To address any outstanding logistical matters
-

Pre-General Assembly(GA) Webinar

Record of AFRALO General Assemblies

AFRALO has held 4 General Assemblies and that of Accra will be the 5th GA that will be held.

- **24-25 July 2023** – General Assembly to be held in Accra, on the sidelines of the Africa Engagement Forum
 - **26-29 June 2017** - General Assembly, ICANN 59 Johannesburg
 - **25 June 2014** - General Assembly, ICANN 50 London at the At-Large Summit II
 - **26 October 2011** - General Assembly, ICANN 42 Dakar (Dakar Events)
 - **03 March 2009** - General Assembly at First At-Large Summit in Mexico City
-

Pre-General Assembly(GA) Webinar

GA 2023 Theme and Objectives

Theme:
“Generating a strong and
sustained AFRALO voice
within ICANN”

Pre-General Assembly(GA) Webinar

GA 2023 Theme and Objectives

Objectives:

- Bring together AFRALO members to discuss how to engage better.
 - To review and approve the AFRALO Members performance metrics towards an improved AFRALO voice within ICANN
 - To Re-establish strong connection between RALO members towards informal member/mentee relationships
 - To establish better understanding of the AFRALO rules of procedure for ALS and individual members and suggest any revisions where possible.
 - To build capacity of our members on topic of interest within the RALO
 - To Recognise and/or reward some members of our RALO
-

Pre-General Assembly(GA) Webinar

Members of GA Organizing Committee

- Bukola Oronti (Social media Chair)
- Seun Ojedeji (AFRALO's Chair)

Pre-General Assembly(GA) Webinar

GA 2023 - Our Expectation

Expectations from members:

- Members will come prepared - Both face 2 face and remote based participants
 - Participants who are attending physically participate at the event
 - Members interventions are brief and straight to the point
 - Members will abide by the ICANN's expected standard of behaviour
 - That we will all contribute towards a successful GA!
