1. Current vocation, employer, and position:

*Netnod AB, Stockholm, Sweden
Sr. Systems Specialist*

2. Type of work performed in 1 above and declaration of relationships with entities holding a Financial (or declarable) Interest in ICANN:

Specialist in DNS technology. Responsible for policy and operations of one of Internet's root name servers. Responsible for DNS services for ~80 TLDs and 100.000+ enterprise domains.

3. Do you, or any company you work for, hold a contract to perform services for ICANN? If so, please identify the nature of that contractual relationship and the scope of work performed under that contract.

No. Netnod performs DNS root service, but that is not under contract with anyone, nor is there any remuneration for that service from anyone.

4. Identify any financial ownership or senior management/leadership interest in registries, registrars or other firms that are interested parties in ICANN policy or any entity with which ICANN has a transaction, contract, or other arrangement:

Netnod is supplier of DNS services to a number of TLD registries (mostly ccTLDs, but some gTLDs).

5. Are you, or a company you work for:

- An applicant for a New gTLD with a pending application?

No.

- Providing advice to any New gTLD applicants with pending applications?

Not that I'm aware of.

applicant or having a financial interest in an applicant?

It is possible that one or more of our existing customers are involved in applications for new gTLDs, and that they intend to ask us to provide DNS service for the new domain, if they win. If so, that's beyond my knowledge. To the best of my knowledge, the answer is no.

If your answer is yes to any of the above, please identify the interest you have in the pending application submitted for the New gTLD Program.

6. Identify any type of commercial interest in ICANN policy development outcomes or the outcomes of this Second IANA Naming Function Review. Do you represent other parties in any PDP or other ICANN related processes?

I only represent Netnod.

Europe.

8. Stakeholder Group(s), ACs, SOs, CCWGs, or other RTs in which you currently participate within ICANN:
