Dear Mr Seun Ojedeji, Chairman of AFRALO

Thank you for bringing the AFRALO resolution on AFRINIC to the AFRINIC management's attention.

We appreciate AFRALO's continued engagement and commitment to seeking solutions to the challenges AFRINIC is currently facing. Your resolution provides an insightful pathway for engagement, and we value the reactive measures being taken to help stability and continuity in AFRINIC's governance.

The management team at AFRINIC recognises the urgency and importance of the matters raised in your resolution, particularly in light of the upcoming expiration of our current directors' tenure. We encourage collaboration between AFRALO, Mr. Silvio Cabral Almada, our resource members, and all other stakeholders to find a swift and sustainable resolution.

We will ensure that the AFRALO resolution is communicated to AFRINIC stakeholders and Staff.

Your support, and that of the broader AFRALO community, is crucial during this period. We look forward to further collaboration.

Warm regards

AFRINIC Management Team,
