Subject: [Ext] Re: [soac-chairs] Action - Retirement of Non-Policy Recommendations

Dear Alp, Giovanni and Alice

During ICANN78 the ccNSO Council requested the ccNSO Guidelines Review Committee (GRC) to review the Draft Process to Retire Non-Policy Recommendations document.

They had their first meeting after Hamburg this past Monday and, according to their schedule, they will be able to provide feedback around the 7th of December.

Best regards,
Alejandra
