At-Large Regional Leaders Coordination session with RVPs AFRALO – GSE Africa

AFRALO's contribution to our Africa Regional implementation plan

- Participation in the elaboration with key members in the drafting
- Contribution to the final version of the document through public comments
- AFRALO O/E Engagement in alignment to contribute to this regional plan for every fiscal year

Regular AFRALO & GSE Africa activities

- GSE Africa update provided during the AFRALO monthly calls
- GSE Africa contributing to the AFRALO Newsletter
- GSE Africa in AFRALO-AFRICANN Meetings
- Inclusion of AFRALO in key GSE Outreach and Engagement activities
- GSE Africa participating in ALS activities (webinars, F2F events, national IGFs, DNS Fora, Symposium...)
- GSE Africa inputs when new ALS application received

Sharing same concerns

- Need for more AFRALO member's participation in AFRALO monthly calls
- Lack of activities at the national level for ALSes
- Need for more contribution from ALSes to Policy
- ALSes to contribute more to local outreach
