Highlights of FY24

EURALO's Convening Power

- ICANN meeting readouts: A regular feature in place for some years, European representatives from all parts of the ICANN community reporting on their experience
 - Recent addition of a representative of European Fellows, and NextGen when in region
- Topic-based Roundtables:
 - 30 September 2023 - CROSS RALO Roundtable ICANN 25th Anniversary
 - 30 January 2024 - EURALO Round table on RDRS
 - 13 February 2024 - EURALO Round table on the Internet Governance for Sustainable Development Goals (SDGs) (also an ICANN79 plenary session)
 - 23 April 2024 - CROSS RALO Round table on Net Mundial 10th Anniversary
- Inspiration for the revitalized Europe Space meeting
- Addition of a new ALS (Poland)

EURALO and GSE Europe, what we do together

- EURALO readouts and roundtables (GSE support)
- GSE regular participation in EURALO leadership calls
- Event calendar sharing and coordination on CROP and use of EURALO discretionary funding
- Trial support for improved communications, contributing to newsletters

Collaboration for FY25

- Engagement with ALSes and individual members
 - GSE country managers + EURALO "get to know you" engagement sessions with ALSes
 - GSE (ICANN org) standing offer of webinars on ICANN policy and hot topics for ALS (if they provide an audience)
 - Targeted engagement in countries with no ALS (e.g. Iceland)
- Continued support for roundtables, new topics
- Support CROP, and participation in national-level events for EURALO discretionary funds
- Target local ALS and individual member participation in national and regional IGFs
 - Preparation of session proposals for these and other events
- GSE (ICANN org) contributions to regional newsletters and comms
