# WG Recommendations

Rec 1: ICANN Bylaws to reflect ALAC's continuing purpose

Rec 10: ALAC/At-Large is home of individual Internet

Rec 11: Board statement recognizing Rec 10

# Article XI, Section 2.4.a

The At-Large Advisory Committee (ALAC) is the primary organizational home within ICANN for individual Internet users. The role of the ALAC shall be to consider and provide advice on the activities of ICANN, insofar as they relate to the interests of the individual Internet users. This includes policies created through ICANN's Supporting Organizations, as well as the many other issues for which community input and advice is appropriate. The ALAC, which plays an important role in ICANN's accountability mechanisms, also coordinates some of ICANN's outreach to individual Internet users.

# Article XI, Section 2.4.j

The ALAC is also responsible, working in conjunction with the RALOs, for coordinating the following activities:

...

Participating in the ICANN policy development processes and providing input and advice that accurately reflects the views of individual Internet users;

## Task 1.4: Extend ALAC Chair term to 2 years

To change the term length of the ALAC Chair would require a change to the ALAC Rules of Procedure. (These Rules are in desperate need of a review.)

Proposal: The ALAC should form a WG to conduct a complete review of its Rules of Procedure by the time of the 2011 Annual General Meeting (AGM). This review should include a look at the role, selection process, and term length of the ALAC Chair and Vice Chairs.

Thank You
