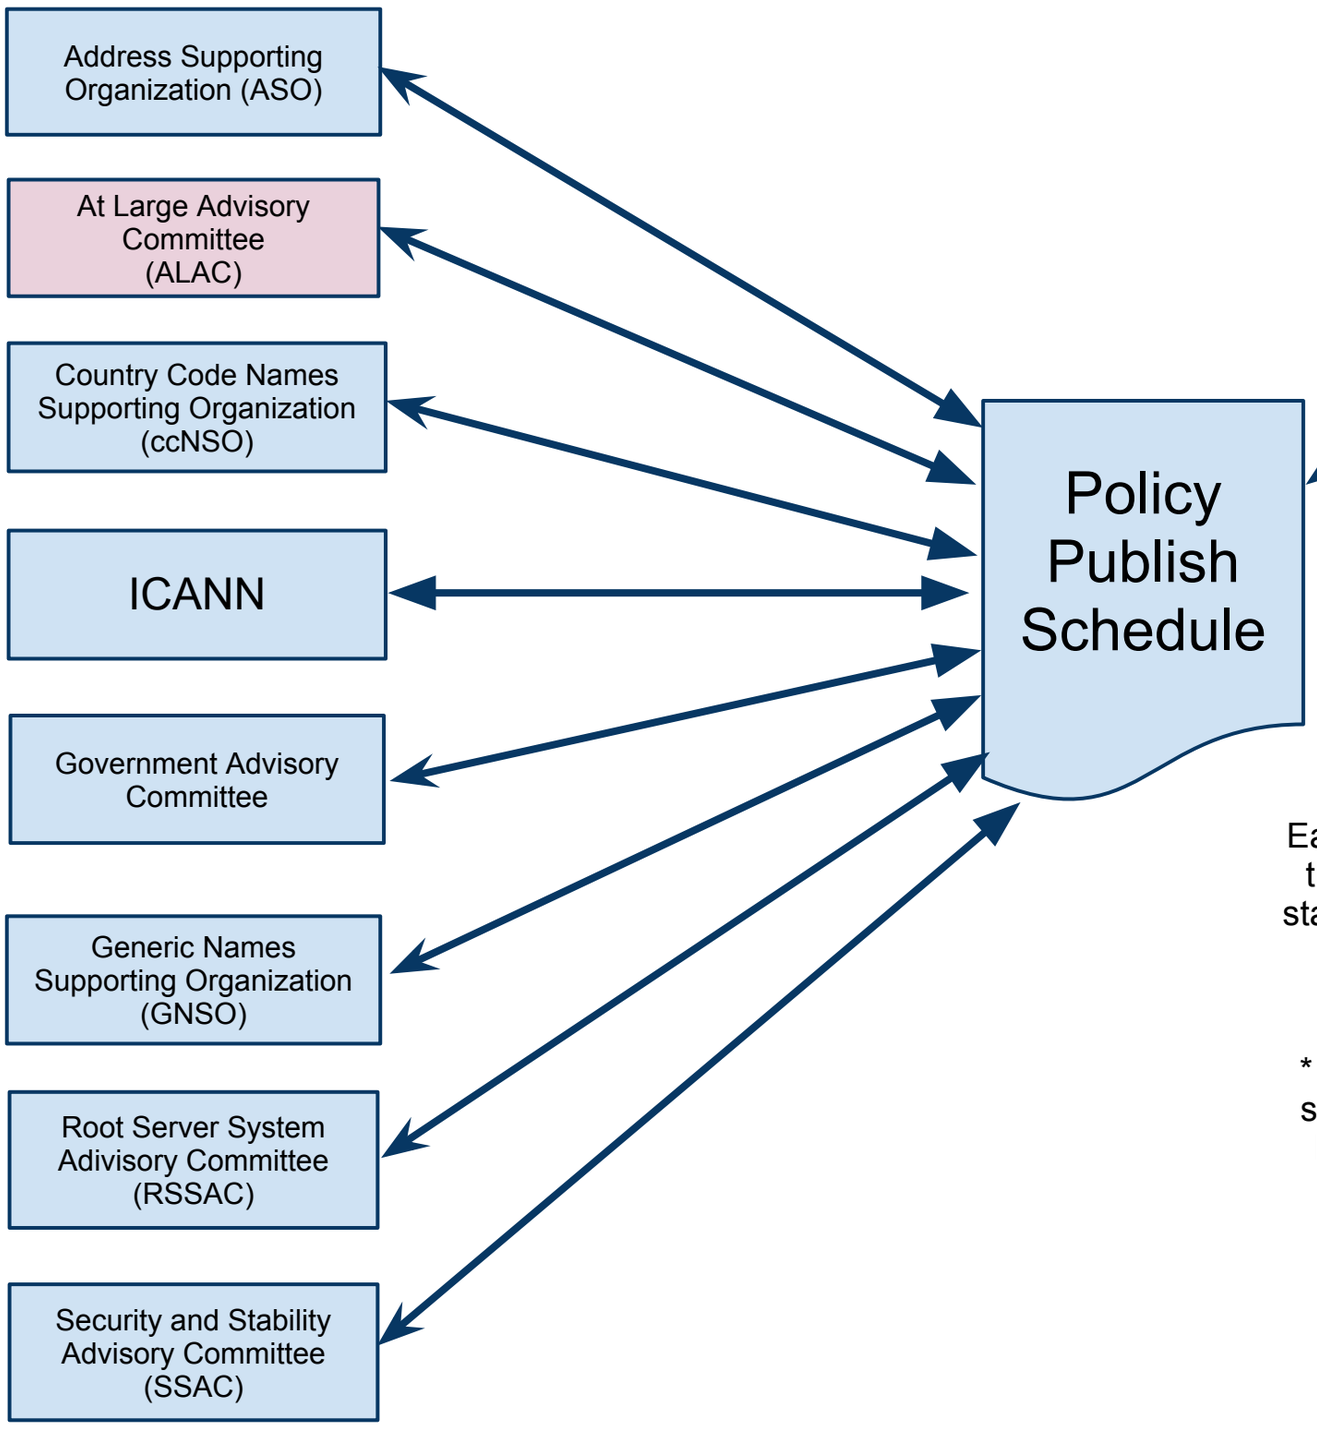
Before Policy is available for comment

ICANN and SOs maintain a policy publish schedule



* ICANN Language Services Manager are kept up to date on the Policy Publish Schedule so that they can plan and allocate translation resources to translate final policy to Spanish and French (and possible other languages as requested)

Each entry in the Policy Publish Schedule should have the name of the policy, an excerpt of what the policy statement is about ; the SO responsible and a tentative date for completion (before translation)

* The details for each item on the policy publish schedule must be accessible (web page, PDF) by anyone on the internet with a link so that it can be linked by any AC or SO in its deliberations

ICANN and SOs can :
* track changes to the schedule
* update the schedule
* contact another SO for details about a policy matter on the Policy Publish Schedule
