

Existing PDP vs. proposed new PDP

The new GNSO Policy Development Process has been adopted by the GNSO Council but still needs to be considered by the ICANN Board. Concerning transition: ‘the GNSO Council recommends that the procedures of the new Annex A shall be applicable to all requests for Issue Reports and PDPs initiated following adoption by the ICANN Board. For all ongoing PDPs initiated prior to the adoption by the Board, the Council shall determine the feasibility of transitioning to the procedures set forth in this Annex A for all remaining steps within the PDP. If the Council determines that any ongoing PDP cannot be feasibly transitioned to these updated procedures, the PDP shall be concluded according to the procedures set forth in Annex A in force on before the adoption of the new Annex A by the Board’.
