29-Jan-12	n	n	n	n	n	n
5-Feb-12						
12-Feb-12						

Accomplishments this period

DSSA

Continued building/evaluating the threat-source threat-event tree for non-adversarial threats
Reviewed and commented on the "confidential information" draft
Discussed top-level architecture -- sent it back to the list for more refinement

DSSA Ops Group

Opened a conversation with Mike Silber -- chair of the Board risk committee -- Mike will be joining
        the Ops group on an upcoming call
Prepared a rationale for the "vouch-in" approach we're taking to building
        confidential sub-teams and released it to the list -- lively debate continues

Plans for next period

DSSA

Continue building/evaluating the threat-source threat-event tree for non-adversarial threats
Review latest revision of "confidential information" draft -- possibly initiate a consensus call

DSSA Ops group

Board committee -- review results from Patrick -- held over
Plan for a "no-Mikey" call this Thursday

Review comments on "confidential information" draft -- perhaps initiate a consensus call
Take a look at the "no scaling" methodology issue and see if anything needs to be done

Issues and concerns

None
