ICANN-Academy budget proposal as of 23.01.2012

This budget proposal is an estimation on the example of Toronto. It must be adjusted according to local costs of other venues and reviewed after the a first trial.

tem Description	Voluntary work	Contractual basis	Staff support	plus 10 % contingency fund
There are no additional cost for international travel, as the target group (incoming ICANN leaders) will be invited to the meeting.				
international travel to the ICANN meeting			х	
This budget contains 2 options, organising the academy off site the official ICANN meeting venue and organising it in the ICANN venue. ALAC propose having it off to experience the group dynamic. However finally this decision should be made in the most economic way.	site, as it is a key eleme	nt of the ICANN Acade	emy concept, in order
