

Brief presentation of Abdelaziz Hilali

Dr. Abdelaziz Hilali is a professor at the Moroccan telecommunications graduate institution (INPT) (www.inpt.ac.ma). He graduated from the Joseph Fourier University of Grenoble, France where he earned a PhD in applied mathematics and computer science in 1987. He prepared this degree within the "Computer Algebra" team of the applied mathematics and computer science department.

Following his graduation, he has published a number of scientific papers and given a substantial number of oral presentations at international meetings.

Dr. Hilali has been a member of the ministerial commission in charge of the launching of the program of the master's in Telecommunications and ICT engineering. He was in charge of student academic affairs, including job placements within private and in 1996. He was appointed as a deputy director of the Master training programs and he is currently director of Corporate Relations within the same institution.

Dr. Hilali is one of the principal founding members of the ISOC Morocco (MISOC) (www.misoc.org) in November 1994. He is a Founder of the Moroccan IPv6Task Force (June 2006). He is member of the Multistakeholder Advisory Committee (MAG) and currently the president elect of the Mediterranean Federation of Internet Associations (Tunis 2007) (www.fmai.org),

During these last years, Dr Hilali has been the initiator and main organizer of many activities. He has participated actively in the organization and the conduction of a large number of seminars and workshops for the benefit of a large array and categories of people interested in Internet among which:

- Organization of ICT events between 1991 and 2009,
- Organization, in collaboration with the ANRT (www.anrt.ma) of the Marrakech ICANN meeting (June 2006),
- Organization of the first edition of EGENI Africa 2006 (Marrakech - 24 June 2006)
- Organization of a workshop on weblogs in the town of Essaouira for the benefit of handicraftsmen,
- Organization of The first Moroccan summit IPV6 (March 2007),
- Participation to several ICANN Meetings since 2003,
- Chair of the Moroccan delegation representing the civil society in the different phases of the World Summit of the Information Society (WSIS) (<http://www.itu.int/wsis/docs2/pc1/doc3-fr.doc>),
- Participation to the Internet Forum Governance, Athens , November 2006,
- Ambassador of ISOC (www.isoc.org) to the Internet Forum Governance, Rio , November 2007,
