

**SECURITY, STABILITY & RESILIENCY OF THE DNS REVIEW TEAM**  
**WEBINAR – SESSION 1**  
**Friday, 11 May 2012 – 11:00 UTC**

Alice Jansen:Welcome to the Security, Stability & Resiliency of the DNS Review Team webinar!

Juan Manuel Rojas:Good morning, there will be audio in adobe connect?

Ondrej Filip:Hi

Alice Jansen:Good morning Juan Manuel!

Alice Jansen:Yes, we will have stream via adobe too.

Alice Jansen:Hello Ondrej!

Ondrej Filip:Hello

Simon McCalla - Nominet UK:Hi everyone

Alice Jansen:Good afternoon Simon!

Alice Jansen:We are about to start.

Simon McCalla - Nominet UK:sorry - dropped off the call - back in now

David Cake:no comments from me

Ondrej Filip:no comment from me

David Cake:Yes, very good coverage of the issues.

David Cake:My only comment is to echo that the Risk Management Framework issue was one that changed regularly during review period, still changing

Jim Galvin:I can hear but I'm only in Adobe.

Jim Galvin:No comments.

Alice Jansen:Thank you for your participation. The recording and transcript of this session will be published on the SSR public wiki at:

<https://community.icann.org/display/ssrreview/Webinar+-+Session+1>

Jim Galvin:Thank you. Excellent work. Bye.

Ondrej Filip:Thank you

Ondrej Filip:Excellent work

Ondrej Filip:Good bye

Juan Manuel Rojas:Thank you. Excellent
