

I am an Advisory Council Member of the Public Interests Registry (PIR) .ORG. I am interested in participating in the At-Large new gTLD Review Group (gTLD RG).

I have neither contract nor particular interest in any applicant. Neither I have been involved in any proposal from any applicant nor do I have any financial ownership or senior management/leadership interest in any applicant, registry, registrar or other firm that is an interested party in ICANN policy or any entity with which ICANN has a transaction, contract, or other arrangement.

Thus I can declare that I have no conflicts of interest, except being an Advisory Council Member of PIR .ORG, to serve in the At-Large new gTLD Review Group (gTLD RG).

I will do all my best to represent the interests of Internet users in the review process.
