## **Joly MacFie - Statement of Interest for At-Large new gTLD Review Group**

My name is Joly MacFie.

I'm the current VP (Admin) of the Internet Society's New York Chapter, which I also represent in both the North America Regional At-Large Organization (NARALO) and the NonCommercial Users Constituency (NCUC) of ICANN.

I am interested in participating in the At-Large new gTLD Review Group.

While I have, over the years, followed efforts to establish a .nyc top level domain, I have no particular interest in any applicant.

Thus I can declare that I have no conflicts of interest whatsoever.

I would do my best to represent the interests of Internet users in the review process.

A handwritten signature in black ink, appearing to read "Joly MacFie", is written over a light-colored rectangular background.
