Statement of interest for the At-Large new gTLD Review Group (gTLD RG)

I would like to be a member of the At-Large new gTLD Review Group (gTLD RG) and devote my time to screen new gTLD applications, share the comments from the African community and work with my colleagues from other RALOs and ALAC members to submit public comments on and file objections to new gTLD applications. I will keep my AFRALO members updated on new gTLD received comments and deadlines and on objection statements.

I have no conflict of interest in any New gTLD Applicant or any other party that is involved in any manner whatsoever with an applicant or the proposed registry.
