IGFSA and the ICANN Community

Supporting the IGF Movement to Strengthen the Multistakeholder Model

Presentation at ICANN80 Policy Forum Kigali, June 2024

IGFSA Executive Committee Members

ABOUT THE IGF AND IGFSA

- The Internet Governance Forum (IGF) brings people together from various stakeholder groups as equals, in discussions on public policy issues relating to the Internet.
- The IGF informs and inspires those with policy-making power in both the public and private sectors.
- The global IGF has met annually since 2006.
- **IGFSA** was established in 2014.
- The purpose of IGFSA is to promote and support the global IGF as well as ***the national and regional IGF initiatives, known as NRIs.***

WHY SUPPORT LOCAL IGFS?

- Help to develop talent and encourage participation in ICANN policymaking processes
- Close the “DNS Knowledge Gap” among regulators and consumers in diverse markets
- Encourage inclusion of ICANN-relevant issues on IGF agendas
- Promote enlightened approaches by regulators and influencers participating
- Gain access to diverse business, government and civil society leaders
