

Candidate Statement of Satish Babu

I am honored to accept the nomination for the position of ALAC member from the APAC Region. This will be the second time I will be working in this position, and I commit to the following functions over the next two years.

1. Support the work of APRALO in both organizational roles (such as implementing a revised RoP) and policy (through the APRALO Policy Forum).
2. As a designated member from ALAC in the EPDP on IDNs, continue contributions to its future work, including in its implementation.
3. Interface with the Universal Acceptance Steering Group from the side of ALAC, and support UA-Related work in At-Large. Continue to serve in the UA Coordination group as well as in the UA Tech WG.
4. Continue any work related to the IDN Implementation Guidelines 4.0 (and its successor, 4.1) on behalf of ALAC, noting that I have served in the Community Expert Working Group from 2015 through 2018.
5. Support ALAC in areas related to IDNs and UA, including future work on Diacritics.
6. Support ALAC with any other policy or operational work entrusted to me by ALAC.
