

Letter of Intent NARALO NOMCOM

Name Glenn McKnight

Position application: NOMCOM

SOI <https://community.icann.org/display/atlarge/Glenn+McKnight+SOI>

I would like to firstly thank my nominator Mr. Adrian Schmidt, NARALO Secretariat for graciously nominating me for the NOMCOM position.

I am honoured to be nominated for this important position and I like to iterate several important traits that I bring to the position.

The ideal candidate must understand and have been party to the confidentiality requirements of a NOMCOM. This is critical as we all know the reputation of the entire process can be jeopardized by the loose lips of a single individual. Secondly the individual needs to be a good communicator to the NARALO community on the progress of NOMCOM and the call for good candidates.

I bring to the position my experience a host of experiences as a former ICANN Nomcom participant, ISOC NOMCOM Chair, and a CIRA Nomcom volunteer which gives me a host of experiences that are crucial in selecting the important ICANN positions.

Please see my SOI for the extensive ICANN experience. In the past three ICANN meetings, I have not personally attended by I was present in the Pre Week and ICANN meetings remotely. My absence physically was due to medical reasons but my health has greatly improved and I'm prepared to help NOMCOM for the one-year appointment.

Thanks for the support, thoughts and prayers for the past year I am sure it all helped in the recover.
