

All,

I am pleased to provide this Statement of Interest in connection with my nomination for re-election as NARALO Chair.

I am running for re-election because I believe in the mission of NARALO and At Large and because I want to continue working on making NARALO the best that it can be. I want to take advantage of my experience in the position and I look forward to being part of a great Leadership team. We have lots to do.

I continue to be active in ICANN gTLD policy and in supporting the multistakeholder model -- through ICANN and elsewhere (such as the IGF and ISOC, where I have recently joined the ISOC Chapter Advisory Committee Steering Group (ChAC-SG) and serve as Secretary).

I have a better idea and understanding of the concerns and interests of NARALO members than I did two years ago, and I am excited about what lies ahead.

Sometimes, I go on at great length; this time, I want to be short and sweet. If you have any questions, please don't hesitate to contact me -- my virtual door is always open. In addition, I encourage you all to attend our upcoming Candidates Call.

Go NARALO Go!

Best Regards,

Greg
