

UASG work monthly report

Sep 2024

Agenda Item A: UASG Coordination WG Progress

In the coordination WG meeting in August, Theresa Swinehart and other ICANN org members participated in this meeting. Theresa expressed on behalf of ICANN the contributions made by UASG in the past 10 years. and hoped that UASG could quickly reach consensus on the current issues and solve them. Subsequently, the chairman, Vice Chairman and other members of the group also gave feedback on the results of the discussion on issues such as governance, as well as the current problems that still exist.

Agenda Item B: UA Day 2025

On August 26, The call for proposals for UA Day 2025 was announced: [Global Internet Community Encouraged to Submit Event Proposals for UA Day 2025 - Universal Acceptance Steering Group \(UASG\)](#). UA Day 2025 will consist of various virtual and in-person events held by the UASG, ICANN, global partners, and regional and local organizations between 1 March and 30 May 2025. Those interested in organizing a UA Day event must complete the UA Day Event Proposal Form by 11 October 2024. ICANN will provide limited support for proposed UA Day events based on this group's recommendations.

Agenda Item C: 2025 UA Ambassador applications

Further complete the 2025UA Ambassador Applicant Scoring Program.
