ICANN72 Fellow had brought me to ICANN community. As pandemic hit us, I had managed to join several ICANN remote meeting during quarantine. When I awarded again as ICANN77 Fellow, I got deeper into ICANN Policy Development and how the policy in ICANN has been shaped. To get more knowledge on ICANN Policy Development, I joined on Policy Development Accelerator to discuss about new gTLD application process. I believe the knowledges I got during this time within ICANN could contribute as a review team, as well as my other experience at other multistakeholder internet governance community (ISOC and IGF)
