

A. Introduction

This Final Report of the ALAC/At-Large Improvements Implementation Project outlines the activities and accomplishments of the ALAC and At-Large in completing this project. Specifically, it highlights the steps made by [At-Large Improvements Work Teams](#) and the [At-Large Improvements Implementation Taskforce](#) toward the full implementation of the ALAC/At-Large Improvements Recommendations.

As illustrated in the table below in Section D, and more fully in the appendix, the At-Large Improvements Implementation Project Taskforce has completed the implementation of the Recommendations and Action Items. This completion consists of concluding finite activities or giving responsibility to bodies of the ALAC and At-Large community, including the ALAC Executive Committee, At-Large Working Groups and Regional At-Large Organizations and their individual At-Large Structures, for activities requiring continuing monitoring and oversight.
