Topic 18 | Terms & Conditions

Agenda Item #2

Topic 31 | Objections

Agenda Item #3

Independent Objectors: Proposed Approach

IOs are not permitted to file an objection to an application where an objection has already **passed the quick look review on the same ground**, absent extraordinary circumstances.*

The IOs will monitor the application comments and objections as they are submitted and will start working on their objections as they identify potentially highly objectionable applications. After the results of the Quick Look review are published, the IOs will have a 7 calendar day window to file their objections.

*Should the IOs file an objection to an application where an objection has already passed the quick look review on the same ground based on extraordinary circumstances, they will describe such extraordinary circumstances in their objection.
