WHAT TO REMEMBER FROM THIS EXPERIENCE?

- Critical thinking is important
- Group democracy : Polling is not voting and each voice must be heard
- Want to serve more and share my experiences
- Some regions like India are over-represented and Africa under-represented, this is a real issue for ICANN community to work on it Discovering other delegates: powerful experience and an engagement booster

How to join the At-Large Community?

As an individual, there are three ways for you to become an official member of the At-Large Community:

1. Become a member of an accredited At-Large Structure (ALS)

If you are a member of an accredited ALS, you are automatically a member of the At-Large Community. To find an accredited ALS in your area, search <https://atlarge.icann.org/alses>

Already a member? Want to engage in At-Large activities? Contact the representative of your ALS or staff@atlarge.icann.org

To become a new member of an ALS, please contact the ALS and follow its specific application procedure.

2. Accredite your organization as a new At-Large Structure (ALS)

Apply to accredit your own organization as an ALS, and all the members in your organization will become members of the At-Large community. ALS application is free, easy, and done via the web <https://atlarge.icann.org/get-involved/about-als>

3. Become an individual member

You may become an individual member of the At-Large Community without affiliation with an ALS. Individual membership is only accepted in certain regions.
