Community Discussion on the Resolution of Contention Sets

Agenda Item #2

Board acceptance of GAC Advice

The Board accepted item 2a(ii) of the GAC's ICANN80 Kigali Communiqué:

"The GAC advises the Board: [...]

ii. To urgently initiate a focused community-wide discussion (including with the GAC and ALAC) on the resolution of contention sets, with a view to finding alternatives to private auctions and ICANN auctions of last resort, before the ICANN Board takes any action in a manner that may be inconsistent with the ICANN77 Washington D.C. Communiqué GAC Consensus Advice."

IRT IDN Sub-Track

Agenda Item #3

Launch of SubPro IRT IDN Sub-Track

Context:

- On 8 June 2024, the Board adopted the Scorecard: IDN EPDP Phase 1 Recommendations

- Now launching the SubPro IRT IDN Sub-Track to discuss the implementation of the outputs

Upcoming Meetings:

- First Sub-Track Meeting: 8 August, 18:00-19:00 UTC

  - Meeting times will continue to rotate in order to accommodate multiple time zones

Why Join the IRT IDN Sub-Track?

- Per the Consensus Policy Implementation Framework (CPIF) and the IRT Principles & Guidelines, the IRT will:
  - Serve as a resource to ICANN org on policy and technical questions that arise with regard to the Board-approved recommendations of the SubPro Final Report as well as the IDN EPDP Phase 1 Final Report
  - Serve as a resource to ICANN org on the background and rationale of the policy recommendations in the the two Final Reports mentioned above and seek additional guidance from the GNSO Council, as required.
  - Assist ICANN org in developing the policy implementation details to ensure that the implementation conforms to the intent of the policy recommendations as detailed in the Final Reports.
  - Ensure that the IDN EPDP Phase 1 Recommendations are fully and accurately incorporated into the relevant Applicant Guidebook sections..

How to Sign up:

- To join, send email to: nextround_policyimplementation@icann.org
  - This sub-track is open to any interested party, particularly those who were involved in the IDNs EPDP who have the technical experience and subject-matter knowledge.
  - Existing IRT members interested in being part of this sub-track should reconfirm their interest to participate.
