

# **ALAC-GAC Meeting & RDRS Update**

Alan Greenberg

22 July 2024

# ALAC-GAC Joint Meeting

- New gTLD Program Contention Resolution
  - Multiple applications for same or comparable TLD strings
  - “Auctions of last resort” vs Private Auctions
    - Both ALAC and GAC support prohibiting private auctions
    - Advice from both ALAC and GAC
  - Specifics of Auctions still to be decided
    - ALAC: Sealed-Bid Second-Price Auction

# ALAC-GAC Joint Meeting

## – Applicant Support Program

- Awareness
- Joint ALAC/GAC cooperation including intersessional work
- Potential for resolving insufficient funds with a first-come-first-serve solution
  - Agreement that it would be a BAD way to go

# Registration Request Service (RDRS) Update

- RDRS: Service to request release of redacted registration data
  - Voluntary
    - Requestors
    - Registrars
- GNSO Commercial Stakeholder Group (CSG)
  - Experiences with RDRD (Requestor and Registrar)
- Registrar SG
  - Discussion of actual RDRS requests
    - Breakouts with small groups
