00:37:28 Silvia Vivanco - ICANN Org: Yes.....exactly CLO!
00:37:51 Lilian Ivette: more than a contract is like a compromise
00:40:06 Silvia Vivanco - ICANN Org: CLO to review the wording of the Formality of the agreement - to make sure it is aspirational

the alac must continue leading the way within icann

00:59:00 Bill Jouris: Having a lot more aspirational merely
means that it is an area which needs more attention than some of the
