Some comments received

13:14:21 From Justine Chew to Everyone:

I have one additional APAC volunteer for the small team for the Small Team on ALAC Objection Procedure.

13:14:25 From Cheryl Langdon-Orr to Everyone:

Especially as the RALOs had a role in the process last time and no doubt will going forward

Noted

13:25:32 From iPhone Vanda Abes to Everyone:

Sorry to enter late

13:25:46 From Dev Anand Teelucksingh to Everyone:
	Replying to "Why are we focussing..."

	Well, I suggested that approach (comments to the IO) to simplify the drafting of objection statements - the draft of any comments about a gTLD application to the IO would have to be detailed enough to be the possible At-Large Objection statement that would be considered by RALOs and then ALAC to vote on the RALO advice)
13:25:55 From ALAC - Shah Rahman to Everyone:
	yesterday happend one
