00:28:10 John McCormac – HosterStats.com: And some legislation will be passed that will make all that work irrelevant. Hard not to be cynical when seeing such attempts like GDPR and NIS–2 blowing well intentioned plans and work out of the water..

00:29:11 Harold Arcos: Hi all,, sorry for late connect

00:29:21 Cheryl Langdon–Orr: Yes the contention discussions were very interesring

forgive us we don't digress *that often* !

00:33:36 ALAC–Bill Jouris: Replying to "Oh, they're having a..."

Are you asking us to forgive you for not digressing more often? Asking for a friend

00:34:24 Cheryl Langdon–Orr: Replying to "Oh, they're

having a..."

Ohh always happy to digress, rather we take the option so rarely ;-)

00:47:13 Roberto Gaetano: sorry for being late -
apologies

00:51:24 Gordon Chillcott: Sorry I'm late.

00:56:15 Cheryl Langdon-Orr: yes Next week is in the TZ
that I am trying to avoid But I think we should do something on this
topic

00:56:58 Cheryl Langdon-Orr: OFB is clearly goig to have
fun :-)

00:57:02 Cheryl Langdon-Orr: going

01:00:02 Cheryl Langdon-Orr: We should be more considerate
of presenters and their time zones when we plan these Agenda's
IM(very biased) 0

01:00:40 avri doria: I do believe they are consulted.

01:01:26 Cheryl Langdon-Orr: 'consulted' hmmm

interesting term on how it happens but...

01:03:27 Cheryl Langdon-Orr: but it can NOT be presumed that you WILL get the string just as your an ASP applicant

They would still have a data footprint in terms of company registrations.

01:15:00 Cheryl Langdon-Orr: Nor should they get the information unless they are reviewing it and in that case confidentiality obligations should be required of the contractor
01:21:24 Cheryl Langdon-Orr: We really need to sign off on this as a Final Draft
01:22:38 Cheryl Langdon-Orr: but it needs to be clear
01:23:29 Cheryl Langdon-Orr: I see no downside to it being to Reveal
