01:03:26 Gopal Tadepalli: <OBSERVATION>: Standalone Policies have a higher probability of negatively impacting "interoperability [on same protocol]" and "integration [on protocol converters]". Any real data will deeply be appreciated. - Dr. T V Gopal, Anna University, Chennai, INDIA

01:08:52 BAZIE Charles / Burkina Faso: Hi, I'm Charles BAZIE from Burkina Faso  
01:09:43 Michelle DeSmyter - ICANN Org: All users using the integrated interpretation, should select "unmute original audio" or move to the "original audio " channel.
