## REQUEST DESCRIPTION

### 1. Activity: Please describe your proposed activity in detail

The SSAC dinner meetings held on Wednesday evenings during the IETF meetings are important opportunities for SSAC members to discuss key issues. Many SSAC members attend IETF meetings and thus are available to attend these SSAC meetings in person. Teleconference facilities are arranged to include those members not attending in person. These meetings enable SSAC members to engage in substantive discussions and to advance the work of the Committee. The request is for funding for audio/visual equipment rental, room rental, teleconference facilities, and dinner for approximately 20 SSAC members. The budget estimate is based on costs for previous events. There are a total of 3 meetings scheduled for 2 hours each.
