Berry C.	05/01/22		In Progress	SPS Action Item - 08 February: Staff met with Council/SCBO leadership to discuss the problem(s) to be solved and for an in-depth demonstration on the Portfolio/Project tools suite. Next step (post ICANN73) is to develop a pre-recorded webinar to share with the Council and SG/C excomms and then host dedicated Q&A sessions as necessary. In the interim, Council leadership to reaffirm to the Council what specific areas of the tools they should focus on in preparation for the monthly Council meetings and how they can suggest possible Council agenda items for any in-flight projects is an update is necessary. \n\n9 March: Provided update of next steps to Council at its ICANN73 Meeting. Meeting with the internal project team this week to decide the format of the webinar/demo. Once we work out the format and get close to recording staff will draft a message for distribution to the Council. \n\n30 March: No update, staff still working on the outline and first round recording to pursue legal approval for publication.
