**GNSO Council Action Items**

**AI**

**GNSO on Temporary Specification Phase 1 Urgent Requests**
Action Item: GNSO Council leadership will consider next steps, including a response to the Board that more work is needed around a request to update the GNSO, the GAC, and the Board.

**Action Items:**
1. GNSO Council leadership will consider the next steps, including a response to the Board that more work is needed around the request to update the GNSO, the GAC, and the Board.
2. The GAC Communique Small Team to update the guidance on the issue of urgent requests in the response to the GAC. (COMPLETED)

**Notes:**
- UPDATE: Staff to draft a letter for Council to review.
- Assigned To: Caitlin Tubergen
- Assigned To Council: Council Leaders
- Priority: 08/08/24
- Baseline Finish: 08/08/24
- Current Finish: In Progress

**AI**

**RDDS**

**RDA_3T**
Action Item: GNSO Council leadership to send a follow-up email to Council to take the following actions:
1. Given the limitations in processing data noted by ICANN org’s write-up, does the Council believe that the proposed two alternative options/scenarios were worthwhile, or, if not, do Councilors have any additional suggestions that will take into account the limitations noted?
2. As a result of the discussions with respect to access to data, would the Councilors propose any changes to the Scoping Team at this time?

**Notes:**
- UPDATE: Staff to send a draft letter for Council to review.
- Assigned To: Caitlin Tubergen
- Assigned To Council: Council Leaders
- Priority: 08/08/24
- Baseline Finish: 08/08/24
