

Short Biography

I was born in August 1987 in Addis Ababa, Ethiopia. I hold my Bachelor of Laws (LLB) degree from Addis Ababa University Law School in July 2009 with great distinction. I recently received my Master of laws (LLM) degree in Information and Communication Technology Law from the University of Oslo, Norway in December 2012. I have also studied Internet Privacy, Identity, Trust and Reputation Mechanisms at the University of Oxford, Oxford Internet Institute. I am currently lecturer-in-law at Hawassa University Law School where I have been teaching law since September 2009. I have also recently started to consult the Ethiopian Ministry of Communication and Information on legal matters.
