Conference Call 03 – With ICANN Staff

- > Alice Jansen:Welcome Jørgen! Thanks for joining
- > Jørgen Abild Andersen:Great to be with you. (First time I 'm on >Adobe)
- > Alan Greenberg:What is Adigo code for this call?
- > Paul Diaz (Public Interest Registry):@Alan, 27318
- > Carlos Raul:i can hear you well Brian
- > Carlos Raul:but will have to connect to adigo anyhow
- > Carlos Raul:;)
- > Carlos Raul:can you hear me???
- > Carlos Raul:no
- > Carlos Raul:its ok
- > Carlos Raul:will call
- > Olivier Crepin-Leblond:Adobe connect is not enabled for audio
- > Olivier Crepin-Leblond:at least not on this session
- > Carlos Raul:Allen just stated the opposite
- > Alan Greenberg:What Olivier means is that THIS setup is not enabled >for audio input.
- > Olivier Crepin-Leblond:it is possible to enable the audio on Adigo, >but it's not been done here
- > Alan Greenberg:It can be though.
- > Jesse Samora:Audio is enabled on Adobe Connect. I can hear people >talking and I am not dialed into the call.
- > Alan Greenberg:Jesse, It is currently set up to broadcast the call, >but not for people to speak through it.
- > Olivier Crepin-Leblond:actually you're right -- it works
- > Carlos Raul:what?
- > Carlos Raul:I'm the only one who can't?
- > Carlos Raul:i will open a procedure against ADIGO locally, if I can >find their rep
- > Olivier Crepin-Leblond:it can broadcast the call through Adobe >Connect, but as Alan says, it does not accept participation using the >Mic in Adobe COnnect
- > Olivier Crepin-Leblond:Adigo's the normal telephone. 2 different >comanies
- > Avri Doria:can we turn on adobe voice so i do not need to also call in?
- > Jesse Samora:That is correct. When I coordinated a/v support for this >call the request was for audio streaming in Adobe Connect. Audible >participation from your computer microphone was not specified.
- > Carlos Raul:ok
- > Carlos Raul:we are getting closer to the truth
- > Olivier Crepin-Leblond:thx Jesse
- > Carlos Raul:its a nice excersice anyhow, to listen and to be quiet

- > Alan Greenberg:I will note that when input *IS* enabled, quality is
>not always the best.
- > Avri Doria:it wont let me connect audio via computer, insists on
>using telephone.
- > Alan Greenberg:Someone on Adigo bridge also has their computer
>speaker on causing echo.
- > Jesse Samora:Avri Doria: That's correct. When coordinating a/v
>support for this call, audible participation from computer microphones
>was not specified.
- > Jesse Samora:PLEASE NOTE: If you are dialed into the teleconference
>via your telephone, please MUTE your computer speakers.
- > Alice Jansen:David Olive is on the call
- > Alice Jansen:Diane Shroeder has joined the call
- > Alice Jansen:Tarek Kamel has joined the call
- > Avri Doria:These Board, GAc and Nomcom issues can be noted in the
>answers from staff and then we can go ask tothers hose questions.
- > David Conrad:An additional question: in cases where implementation is
>split, I'd be interested in understanding the dependencies as seen
>from each group involved in implmentation
- > Denise Michel:Thanks, David. All - please add additional questions
>here
- > Denise Michel:I believe Alan and Carlos had some?
- > Carlos Raul:yes I sent one a few days ago
- > Carlos Raul:and found Demis support at least
- > Denise Michel:Thanks
- > Alan Greenberg:I value information/data, preferably in written form
>over fancy powerpoints (and the emphases is on "fancy").
- > Larisa Gurnick:Functional org chart and listing of staff and their
>responsibilities will be circulated shortly.
- > Carlos Raul:gracias
- > Jørgen Abild Andersen:First and foremost.: Let us have written
>answers to the questions on the screen for each of the 27
>recommendations - in due course before the meeting in LA. Then we take it from there.
- > Carlos Raul:agree
- > Michael Yakushev:I also agree. It will be much easier to discuss them
>1/1 then
- > Alice Jansen:I am having audio issues - dialing back in
- > Carlos Raul:I appreciate the FUNCTIONAL chart
- > Carlos Raul:its exactly what I was expecting
- > Carlos Raul:can't hear
- > Fiona Asonga:We can't hear you
- > Carlos Raul:txs
- > David Olive:Thank you All
- > Alice Jansen:Thanks for participating
