CHAT TRANSCRIPT**

Alice Jansen: Welcome to ATRT 2 Call 06!

Jørgen Abild Andersen: Hi Alice - Hi Stephen

David Conrad: Hi everyone

Alice Jansen: Thanks for joining!

demi getschko: Hi!

Steve Crocker: Hello, everyone

Stephen Conroy: hi everyone

Alice Jansen: Our tech-team is connecting the streaming

Carlos Raul: good morning

Alice Jansen: you have scroll control.

Fiona Asonga: Morning

David Conrad: good morning Fiona!

David Conrad: Good morning Carlos!

Avri Doria: It might even be a good opportunity to explain the oversight functionality AOC to them.aoc

Brian Cute: Am finally on adobe.

Olivier Crepin-Leblond: Limited impact is better than no impact at all

Alan Greenberg: @Olivier, sure. As long as we do not spend a LOT of resources on it.

Alan Greenberg: @Larry, we are not disagreeing, I was just being more dramatic.

Alice Jansen: The compilation is displayed in the Adobe pod. You have scroll control.

Brian Cute: Thx Alice.

Carlos Raul: fully support Allans ideas

Carlos Raul: specifically PDP

Steve Crocker: With respect to ICANN's whistleblower program, I've interacted with Fadi. He's direct Steve Antonoff, director of personnel, to provide the factual data on ICANN's hotline.

demi getschko: Difficult to vote right now for independet expert...

Avri Doria: Seems Strang that at this point a don't have a known budget.Also

demi getschko: without havong the context well difined. Or even the budget

demi getschko: (having) (defined)

Fiona Asonga: I support Alan's proposal

Larisa Gurnick: It would helpful for the ATRT 2 to indicate the proposed SOW and estimate of resources required.

David Conrad: I think Brian's suggestion makes sense

Fiona Asonga: Thanks Olivier

Stephen Conroy: is that 60,000 this financial year plus 37000 for next financial year?

Olivier Crepin-Leblond: unknown. I have sent a note to the mailing list just now. I can check FY13 allocation.

Alice Jansen: Thank you very much for participating

David Conrad: thanks!

demi getschko: thanks. See you!  
Fiona Asonga: bye
