ATRT 2 – WORK STREAM 4
CALL 01 – Friday, 31 May 2013

Alice Jansen: Welcome to Work Stream 4 Call 01

Carlos Raul: when does it start? in a few minutes? or in one hour?

jørgen Abild Andersen: Hi everybody. Suppose we start in 5 minutes??

Carlos Raul: 4 minutes

feng: hello to everyone

Carlos Raul: hello

Carlos Raul: there is heavy noise in the line

Carlos Raul: now is better

Eric Evrard: That was someone's cellphone

Carlos Raul: did we loose her?

Carlos Raul: Brian?

Carlos Raul: can't you take over and go trough the relevant section of the document please?

Larisa Gurnick: Questions for staff and Board:What did you learn?What worked well? What did not work well? What adjustments had to be made?What improvements were made in the subsequent review processes?How did staff and Board ensure that public interest was addressed after the implementation was completed?

Larisa Gurnick: New Issues: -   Looking at the recommendations of the three other groups – ICANN's interpretation of review team recommendations – ICANN's implementation of the recommendations. Asking the question: "Does it satisfy the standard outlined in the affirmation?"-   Review the Board and staff process used to review, implement and oversee recommendations of review teams.-   Review actions of the Board and staff in ensuring public interest

Fiona Asonga: Finally am on adobe

Larisa Gurnick: Joergen will prepare a short paper regarding Accountaibility +Transaparency = Legitimacy issue

Fiona Asonga: yes Larisa

Brian Cute: There is some noise.
