## Chat Transcript

Alice Jansen:Welcome to Work Stream 2 Call 04!

David Conrad:hi

demi getschko:hi everybody

Alice Jansen:Hello Demi :-)

demi getschko:Bonjour, Alice

Alice Jansen:The session is now being recorded.

demi getschko:Oh! Oh! :-)

Alice Jansen:Demi, we could not hear you - are you on mute?

demi getschko:Illtry again... May be I was imuted..

demi getschko:(muted)

David Conrad:yep :)

demi getschko:problems with adobe...

Olivier Crepin-Leblond:you need to connect your audio for this

Olivier Crepin-Leblond:or sometimes it doesn't work due to network load

Alice Jansen:Microphone rights are activated if you want to try via adobe - if you need us to call you (dial-out) let me know.

demi getschko:Ok. queation> What kaind of answers we expect form ssr and how this relates with DNSSEC:?

Alice Jansen:Avri's input - An additional question I have, is to what degree Patrick thinks that they have what they need to do the work in a full and efficient manner.  And if they don't have all of the resources and capacities they need, what is missing?  has it been requested? what is the issue?

Olivier Crepin-Leblond:For the record, I really liked the questions that will be asked, so full support from me

demi getschko:Same as Olivier

demi getschko:Thanks you, David

David Conrad:thanks1

David Conrad:err, !

David Conrad::)

Alice Jansen:Thank you for participating!
