ATRT 2 – Work Stream 1
Tuesday, 4 June – Chat Transcript

Alice Jansen:Welcome to Work Stream 1 - Call 02! The proposed agenda is available in the meeting notes.

Olivier Crepin-Leblond:The Agenda on the WIKI is on: https://community.icann.org/x/Ail-Ag

Larisa Gurnick:yes

Larisa Gurnick:better

Michael Yakushev:too small letters

Larisa Gurnick:Staff will check the date

Brian Cute:Rec. 6

Michael Yakushev:hardly understandable ^(

Olivier Crepin-Leblond:https://community.icann.org/display/ATRT2/Work+Stream+1+Sources+Repository

Michael Yakushev:I mean the voice

Fiona Asonga:I am also bit lost

Brian Cute:I believe finance goes in 9.1(a).

Brian Cute:(b)

Brian Cute:(b) if it is the GAC - Board JWG

Larisa Gurnick:August 2013 was a typo - it should be August 2010

Avri Doria:i think D will have to find relevant documents in others organizations writings.

Brian Cute:ICANN Bylaws - I don't have it sorted by (a), (b), (c), (d) or (e) but it is required reading.

Brian Cute:Transcripts from Interviews with ATRT2 to date.

Avri Doria:yes tyhe aoc page is avaialble in many languages: Deutsch Español Français Italiano 日本語 한국어 Português Русский □体中文 العربية

Avri Doria:http://www.icann.org/en/about/agreements/aoc/affirmation-of-commitments-30sep09-en.htm just happend to have it open

Brian Cute:I can see this applying to (a) - (e)

carlos:dumb question....

carlos:can we wokr on this wiki offline?

carlos::(

Fiona Asonga:not it can't be doe offline

Fiona Asonga:done sorry

Larisa Gurnick:no

Avri Doria:One cannot summarize without losing information.   it is in the nature of abstracting done in summaries

carlos:sure? not even a smart hacker?

Avri Doria:me? never sure of anyhting? but one of the clefernesses of the hacker is the ability to draw correct conclusions with very partial information.

carlos:sorry, my comments where related to the offline question

Avri Doria:there are ways to work with the wiki ofline, but they are combersome. download, work, download latest, compare and upload.

Avri Doria:google drive is easier, it automates that stuff. i tend to use drive for documents in development and just put a url to thse docs on the wiki.

Brian Cute:+1

David Conrad 3:i seem to be replicating in adobe. how odd.

Fiona Asonga:Brian or Lise can one of you chair in the event I go off air like I have for the last 10 mins? I can't call in and ICANN is not calling me back

carlos:where is the David Olive stuff?

carlos:please give the link

Larisa Gurnick:https://community.icann.org/pages/viewpage.action?pageId=41885192

carlos:got it

carlos:thanks

Fiona Asonga:Alice & Larisa I have no audio

Larisa Gurnick:All the information that the staff provides can also be accessed from the one wiki page called Information provided by ICANN staff

Brian Cute:When is the next call?

Avri Doria:reading by next week

Fiona Asonga:immediately after this

Larisa Gurnick:Fiona, the operator is calling you right now

Avri Doria:do we have to close the adobe and come back for the next meeting, or can we just stay on?

carlos:same question!!!

Brian Cute:Thank you Olivier! Great work.

Larisa Gurnick:You should be able to stay in the room for the next call.

David Conrad 3:thanks!
