

Model email to send individually to people who have been identified as potential Mentor

Dear [NA/LAC/AP/AF/EU]RALO members,

We are writing to you as members of the ATLAS II Mentoring Program to ask your availability to serve as Mentor in the ATLAS II Mentoring Program.

You can find the draft of this Mentoring Program in this link:

<https://community.icann.org/display/atlarge/ATLAS+II+Draft+Mentoring+Program>

In this link [<http://goo.gl/xmTPkl>] you can find the task expected from Mentors. We would ask to review them and let us know until **May 9th** if you're willing to commit to these activities

Thanks in advance.

Best Regards,
