REQUEST DESCRIPTION

1. Activity: Please describe your proposed activity in detail

This is a recurring request and as such it should become part of the ICANN regular budget, although the number of funded travelers may vary from year to year. It is essential for SSAC members to be able to attend ICANN meetings in person, not only to attend the public and private SSAC meetings held during the ICANN meetings, but also to participate in person in the many security-related discussions that occur. Many SSAC members have not been able to attend ICANN meetings because of the cost, yet ICANN meetings are becoming increasingly important for SSAC members. In addition to the full day of SSAC work party and full committee meetings scheduled every Tuesday during the ICANN meetings, SSAC members participate in other technical meetings, including with the law enforcement community, the ccNSO, GNSO constituency and stakeholder groups, the GAC, and in the DNSSEC Workshop and Beginner's Sessions.

In addition, participation in the SSAC meetings is a key part of SSAC members' duties and thus is one of the criteria on which the review of their membership is based. Because of the continued increase in SSAC interest and participation in the ICANN meetings, the SSAC is requesting travel funding for 15 SSAC members to attend 3 meetings in FY15 for a total of 45 slots that can be used for any combination of the ICANN meetings. Included in the 45 slots is funding for travel to 3 meetings for the SSAC Chair and Vice Chair. Note: The SSAC is specifically requesting that it may decide how to use the 45 slots and that unused slots from any meeting can be used for subsequent meetings in FY15. It also is important to note that ICANN Board members have been emphatic in their support for SSAC members to have the funding they need to travel to ICANN meetings. In fact, they voted to allocate to the SSAC 5 additional travel slots in FY14 to address the increasing needs of SSAC member travel. Furthermore, the SSAC has 40 members as of February 2014 and this number may increase in FY15.

The SSAC is requesting that travel support includes the cost of air travel, lodging, and a per diem amount set for each city. The SSAC also requests that supported members receive air travel at economy levels, except for the Chair who is eligible to receive all travel at business class. Assistance is requested from Finance to identify the budget estimate. When SSAC members are approved for travel support, the SSAC will conduct a procedure to select members for funding, in addition to the Chair and Vice Chair.
