Transition of Stewardship of IANA Functions Member Selection Straw Ballot

Panelist Name: _____

Please score each nominee against the four available criteria on the noted scale. If you are not familiar with a nominee, please note "N/A" for not applicable in the vote slot. Scores should be based on the point system as indicated. As staff is capturing and reporting aggregate scores only, feel free to use decimal points (e.g., 5.1 or 7.7) as that may help the panel better assess the score rankings of the various nominees.

Nominee	1. Has the ability & experience to act as a liaison with the At-Large Community and its IANA Stewardship Transition WG – Max. 10 points	2. Has a Track record of defending end User issues – Max. 10 points	3. Has good knowledge about the IANA Functions and processes – Max. 20 points.	4. Demonstrated written and spoken expression in English and therefore able to write meeting reports to At-Large – Max. 10 points.	5. Demonstrated experience as a Team Player – Max. 10 points
