

GNSO Review Working Party Meeting
12 May 2015 @ 19:00-20:30 UTC
Chat Transcript

Terri Agnew:Dear all, Welcome to the GNSO Review Working Party on the 12th May 2015

Klaus Stoll:Hi all

Colin Jackson:Yes, trying to solve the feedback problem at my end

Colin Jackson:Can I get a dial-out please? If I turn on the mic I get feedback

Terri Agnew:Hi Colin, I will send you a private AC chat

Colin Jackson:Hi - we are waiting for a dial out (Colin & Richard)

Rudi Vansnick:sorry for being late, had to be present in the SCI call

Terri Agnew>Welcome Rudi Vansnick

Colin Jackson:still waiting for a dial out

Rudi Vansnick:i just responded to Charla's mail about the meeting in BA

Rudi Vansnick:i've indicated i would be available on Sunday

Charla Shambley:Thank you Rudi. Please keep me posted on your availability on Sunday.

Terri Agnew:Transcript is available at: <http://gns0.icann.org/en/group-activities/calendar>

Charla Shambley:The document posted in the room incorporated all comments received via the mailing list.

Chuck Gomes:Response in writing would be fine.

Rudi Vansnick:in writing would be good

Chuck Gomes:It might be helpful for Westlake to ask us any questions about our comments and questions.

Larisa Gurnick:It may be helpful for Westlake to clarify what they intended by the recommendations pertaining to the SOI

Chuck Gomes:I am comfortable.

Charla Shambley:The Draft Report along with translations of the Executive Summary, and the document incorporating WP comments can be found on the wiki:

Mary Wong:@Chuck, yes

Terri Agnew:Bill Drake has joined

Bill Drake:Hi, sorry for late arrival, multiple calls and schedule implosion

Marika Konings:an update on the GNSO Review is also tentatively scheduled for Sunday afternoon (14.30 - 15.15)

Marika Konings:as part of the GNSO weekend working session

Marika Konings:From the staff side we would also like to go through the consolidated version to see if there are any additions from our side, if that is welcomed.

Marika Konings:staff = Mary and I ;-)

Avri Doria:it can't conflict with any CWG or CCWG

Marika Konings:The GNSO related schedule is expected to be shared shortly

Bill Drake:Mornings are all programmed too

Mary Wong:There will be several GNSO WG meetings on Weds; and an SO/AC High Interest Topic session on Mon afternoon

Mary Wong:(Not taking into account the CWG/CCWG sessions)

Larisa Gurnick:What about Sunday morning?

Rudi Vansnick:@Chuck: doodle good idea

Bill Drake:Doodle fine but really need to see a draft scheduel

Mary Wong:GNSO Sunday sessions likely start at 9, if that helps

Marika Konings:I believe there is a CSG session on Sunday morning

Marika Konings:DNS Women's b-fast is usually Monday morning

Avri Doria:early might be filled (730) might have to move to early early (6)

Bill Drake:why not start midnight meetings

Avri Doria:ok

Mary Wong:Not sure if they will have one but CSG usually does a breakfast meeting on Constituency Day

Bill Drake:Not for those of us who do the Fellows thing

Larisa Gurnick:Staff will launch a Doodle as suggested

Chuck Gomes:Thanks everyone.
