

GNSO Review 2014 Update

Agenda

- Review Scope and Approach
- Timeline
- Progress to date
- Community Outreach and Engagement

Scope of Review

Examine organizational effectiveness of the GNSO and its structures

- Consider prior Review's recommendations – implementation, impact, effectiveness
- Purpose and accountability
- Organization and participation
- Execution – means of getting the work done

-
- Review will include an assessment of the effectiveness of structural changes that resulted from the last review, along with the assessment of how all recommendations have been implemented.
 - If structural changes are needed, it should be considered a topic for discussion after the GNSO review is finalized, possibly during the implementation planning.

Examine organizational effectiveness

GNSO Review Working Party

Liaison between GNSO, Independent Examiner and the SIC

Independent Examiner

Selected by competitive bid from 7 responders

Tightly scoped contract
