

## Statement of Interest for RSSAC Caucus

- **Name:** Mahdi Taghizadeh
- **Affiliation and current position:** I'm CTO of an online business as well as the co-founder and vice chairman of another online business in Tehran.
- **Relevant qualifications:** I've been interested in the DNS industry since 15 years ago and always been studying about DNS and DNSSEC.
- **Motivation for membership in the Caucus:** Living and working in Iran where a k-root is located in addition to the emerging market of eBusiness which is directly related to DNS industry (specially in recent years and afterwards) I think it's very important to represent my country from the technical community.
- **Indication of availability:** I can spend 10 hours per month to work on documents, social media stuff, arrange miscellaneous stuff and help the caucus in any possible way. I'm also available for meetings as much as possible.
- **Formal roles and interests in the work of RSSAC:** I'd like to engage more in the topics related to RIPE NCC and help in that area of work of RSSAC.
