- **Name:** Oscar Fernando Giudice
- **Affiliation and current position:**
Infrastructure Manager at the Ministry of Environment of the Republic of Uruguay
- **Relevant qualifications:**
 - Experience operating DNS servers and resolvers at private level
 - CyberSecurity specialist
 - SO/IEC 27000 expert
- **Motivation for membership in the RSSAC Caucus:**
 - I am motivated to make positive contributions to the global Internet. I am interested in the design of DNS protocols and operations and the evolution that this system may have. I would like to participate in discussions related to the operation, security, stability, resilience, and scalability of the global DNS system.
 - I am also interested in studying the possible impact of attacks from IoT devices on the security and stability of DNS systems.
 - I understand that the RSSAC Caucus is a place where I can learn, contribute and debate the topics mentioned above.
- **Indication of availability:**
I am able to attend some ICANN Meetings in person. I am able to attend all or most of any virtual meetings. I am willing to work between 5 and 8 hours a month to work on RSSAC, and may increase this depending on the urgency and need of the matter.
- **Formal roles (if any) and interests in the work of RSSAC:**
