**Relevant Qualifications**

- Senior Support Engineer, Fujitsu ICIM Limited (Erstwhile International Computers Limited (ICL))
- Scientist – SD, National Informatics Center, Planning Commission, Government of India
- Senior Manager – Internet Services, Videsh Sanchar Nigam Limited (VSNL)
- Dy General Manager – Internet Services, Videsh Sanchar Nigam Limited (VSNL)
- General Manager – Internet Services, Tata Communications Limited
- Vice President – Global Service Operations, Tata Communications Limited
- Member of APNIC, RIPE, ARIN & AFRINET. Have been actively participating in APRICOT & SANOG events.

**Motivation for Membership in the Caucus**

I have been associated with Internet since its inception in India – 15<sup>th</sup> Aug' 1995. Will be happy to support for further expansion, stability & additional features, especially in India & SAARC region. We started India gateway to Internet with merely 64 kb link, which has grown to ~1.5 Tb during last 20 years & expected to further grow with speed of ~ 15 Gb per month.

**Indication of Availability**

I will be able to travel once in a year for F-F meetings. However, attending remote meetings in IST TZ will not be an issue.

**Formal Roles and Interests in the Work of RSSAC**
