

Statement of Interest for the RSSAC Caucus

Name: William Sotomayor

Affiliation/Current Position:

Relevant Qualifications:

- * DNS operator of one kind or another from the early 1990's
- * some time DNS researcher from 2005
- * DNS anycast deployments at the campus and WAN levels
- * DNS data hunter-gatherer

Motivation:

I am willing to work on documents related to nameserver operations as well as engage in work related to performance and measurement. As a benefit to the Internet-going public, my goal is operational stability and high-performance of the DNS.

Availability: I can dedicate about a day per month.

Formal Roles and Interests in the Work of RSSAC: DNS-OARC System Engineer
